MIDWEST Preliminary majority delivered prices into major markets for next week were unchanged from Monday's final. Whole broiler/fryer market tone was steady. Offerings were light to moderate; overnight storms in the Ohio area had curtailed operations at two producer locations. Fill-in trade was noted into Ohio on 3 up wogs at 55 cents. Retail trade showed some improved activity and was generally moderate, while food service was moderate to fairly good, best into fast food. Floor stocks were in a full range; weights mostly desirable. Parts trade was improved on the front portion cuts and light to moderate on dark meat items. Supplies of all parts were in balance, in the case of dark meat cuts and boneless/skinless breasts barely adequate. The market tone was steady to firm on all parts.
